As this is my last newsletter submission as Chair of the S+F Group, you will find below the names of the leads for upcoming events. If you have any questions, please reach out to them in the school yard or by email via the front office, with attention to the person you are wanting to contact.

At time of writing, the S+F Group are looking for people to fill the roles of:

- Chair

****We have filled our Treasurer role - thank you to Teresa Suen!****

The new *Social + Fundraising Group Committee Terms of Reference* are attached to this newsletter. Please read through them so that you are aware of the workings of the group, and what each role involves. Please reach out to Laura (SAC Chair) with any questions or comments regarding these Terms of Reference at hrsac@hrkensington.catholic.edu.au.

Events planned for the remainder of the year will go ahead as long as leads have been appointed and volunteers sign up to help.

Establishment

In 2024, the Holy Rosary School Advisory Council (the council) established the Social & Fundraising Group (the committee).

Erin Church maintained her position as chair (the chair) of the existing committee (prior to the introduction of MACS governance) as endorsed by the Holy Rosary School principal (the principal).

1. Purpose

The committee was established to support the school community by organising activities and events that raise funds and promote social gatherings.

2. Terms

This Terms of Reference is effective from TBC, 2024 and continues until TBC 2026.

The committee is directly responsible to the council and may not speak publicly for the council.

Any co-opted members of committees who are not council members will be held to account to the same expectations as those of a council member, as outlined in Section 5 of the Terms of Reference for Holy Rosary School Advisory Council. In addition, they must:

- have a Working with Children Check
- sign and comply with the school's Child Safety Code of Conduct
- accept the MACS Code of Conduct for School Advisory Council members and the MACS Conflict of Interest Policy for Employees, Contractors and Consultants.

This Terms of Reference of the committee will be approved by the principal.

3. Function

The committee was established under the MACs governance model - continuing the existing Social & Fundraising Group - by the council to continue its role in supporting the school community by organising activities and events that raise funds and promote social gatherings, guided by the Student Advisory Council vision - to enable exceptional learning and wellbeing experiences for the Holy Rosary community - and its purpose - to continually improve the tools, spaces and programs that create a passion for learning and nurture connected children and families.

It will:

- Organise social and fundraising activities, with consideration to the school calendar and ensuring a balance of activities across the year
- Make suggestions to the Council on spending of funds raised.

NOTE: Final decision for the principal's consideration based on consultation with the SAC, Social + Fundraising Group, Holy Rosary staff, students, and the wider school community as required/deemed appropriate.

4. Guiding priorities

The committee will:

- Hold focus on the Holy Rosary Vision
- Hold focus on the Vision and Purpose of the School Advisory Council.

- Recruit and engage volunteers from all year levels
- Promote awareness of social and fundraising events via School communication channels
- Monitor fundraising activities, assess performance against goals and regularly evaluate activities with members of the school community
- Provide a balance between social and fundraising events
- Maintain operating manuals/guides for events
- Ensure the School vision and values are reflected in the activities of the group and that members adhere to child safe practices and Code of Conduct

- Be led by the chair, appointed by the principal.
- Meet as determined by the committee.
- Meet once a term at minimum at Holy Rosary, with virtual attendance options.
- Arrange additional meetings as required, either at Holy Rosary or another venue.
- Ensure that members whose time as a parent/carer of Holy Rosary students is ending will provide a detailed handover of knowledge/documentation related to events.
- Update the council on projects, outlining actions, future plans, needs for support and items for council discussion.

6. Membership

The committee will comprise as follows:

- A chair (member of the executive) appointed by the principal who will be either a member of council or another person who, in the opinion of the principal, has the relevant knowledge, skills, expertise or interest, and commitment to the mission of the school to serve a particular need on the committee
- A secretary (member of the executive)
- A treasurer (member of the executive)
- Members who are parents/carers of students attending the school
- Event volunteers, who support specific events but are not official members of the committee

Any Holy Rosary parent/carer can join the committee as a general member, or as event volunteers to support specific fundraising or social events. Staff members can also be an event volunteer.

Terms

There is no maximum term for executive or general members of the committee, as long as they are current parents/carers of students at Holy Rosary.

Executive positions will be reviewed at the first meeting of the committee in a calendar year, where self-nominations or nominations will take place, unless the roles vacate during the year and an out-of-cycle nomination process is required. General members and event volunteers can join at any time.

No more than half of the Student Advisory Council should be members on the committee. i.e. if there are 10 council members, there should only be five members of the council on the committee. This avoids having a repeat of council meetings outside council meetings.

7. Quorum

A quorum is four members, one of which must be an executive role holder.

Decisions when quorum not reached

For non time-sensitive decisions, minutes of a meeting will be shared with members. Any member who objects to decision/s noted in the minutes must provide those objections in writing to the chair within 14 days of the minutes being sent. If the chair receives no objections, the decision stands.

For time sensitive decisions, the chair seeks the approval of a decision from the principal.

8. Agendas and minutes

Appropriate records maintained by the chair on behalf of the principal, agendas and minutes are the responsibility of the chair, who may appoint a minute secretary.

Agendas shall be distributed to all members of the committee at least five working days prior to meetings. Minutes shall be distributed (after approval by the chair) to all members of the committee within 10 working days of a meeting being held.

9. Reporting

The committee, through the chair, shall provide a summary of the 'once a term meeting' minutes and a summary of the actions of each committee meeting to the council. The chair will provide a summary of the activities of the committee to be included in the council's annual report to acknowledge the specific work undertaken by the committee during the year. The committee's title, purpose and membership shall be listed on the school's website.
